The New Jersey State Policemen's Benevolent Association Survivor & Welfare Fund is a not-for-profit charitable organization dedicated to providing support and survivor benefits to the families of PBA members who have made the ultimate sacrifice in the line of duty and easing the burden of those officers who are experiencing significant personal hardships.

The fund will also administer the NJ COP SHOT program, providing rewards for the arrest and conviction of anyone killing or seriously wounding a law enforcement officer in the state of New Jersey, regardless of union affiliation. The Survivor & Welfare Fund is dedicated to honor the service, bravery, and sacrifice of those who serve and those survivors whose lives are forever changed.
